

"Tessa"

Monty Bank Trawler 9.50 2 persons

With a length of 10.25 metres and a height of 2.30 metres you can sail with this boat to places which can't be reached by bigger boats.

With a bow and stern thruster, heating, boiler, television, refrigerator, you won't be lacking as far as comfort is concerned. In the forepeak there is an open berth with a double bed.

The washroom with hand shower and the electric toilet are separated located in a closed off area at the port and starboard side of the boat.

The kitchen has a 3-burner cooker, a fridge and a complete inventory for 2 persons.

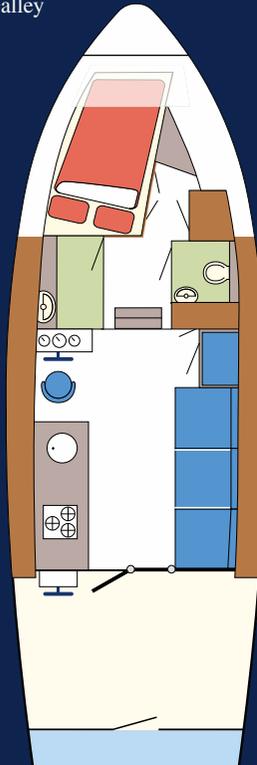

The spacious open sitting area with the second steering position invites you to spend most of the time of your holiday outside. Through the big doors you can enter the open cockpit where you will find a lot of living space.

The boat is equipped with a door in the backside, so you can enter the bathing platform.
